

A safe route from China to Europe

**In order to meet the needs of Chinese-speaking clients who want to develop their business in Poland and effectively solve specific Chinese-Polish legal and business problems, RSM Poland has established a China Desk.**

**The China Desk coordinates the work of all RSM Poland service lines, focusing on efficient communication with Chinese-speaking investors in their native language.**

## **WHAT DOES THE CHINA DESK AT RSM POLAND OFFER?**

We comprehensively support Chinese-speaking entrepreneurs who want to start or develop their business activity on the Polish market.

We offer our Chinese-speaking clients:

- comprehensive tax consulting;
- financial audit services;
- accounting outsourcing;
- HR and payroll documentation outsourcing;
- reporting outsourcing ;
- corporate services, necessary for the proper functioning of an enterprise, fully compliant with the provisions of law in force;
- transactional consulting in purchase, sale, merger and acquisition projects;
- IT consulting services based on implementation, optimization and localization of Oracle NetSuite.

# WHY IS IT WORTH CHOOSING THE CHINA DESK AT RSM POLAND?

- We speak your language;
- We understand and respect the cultural differences that divide us;
- We provide a single point of contact for all legal, tax and financial matters;
- We can quickly and professionally prepare the necessary translations;
- We provide the assistance of an interpreter during meetings with business partners;
- We are committed to building and maintaining long-term relationships;
- We act quickly and are oriented to providing efficient solutions;
- We design and implement solutions that take your domestic business environment into account – including differences in commercial, financial and tax law regulations and differences in approach to business – in contacts with employees and contractors as well as relevant authorities;
- We have numerous Asia-related contacts within the RSM network.

At the China Desk we always put the needs of our Chinese-speaking customers first. It is our understanding of needs, respect for culture and communication in Chinese that makes us able to anticipate emerging opportunities and challenges and offer a comprehensive service tailored to the changing requirements of the Polish market. We provide services at the highest level, building a relationship based on trust, respect and cooperation.

Should you require the assistance of our China Desk, please contact our experts:
